Hi there!

It's me, ~~Bore~~ Squirrel Girl! The UNBEATABLE Squirrel Girl, actually. Incidentally, did you know you can just make up your own super hero name? You totally can! AND I HAVE CHOSEN WISELY.

Being a super hero is PRETTY GREAT because you get to:
- MEET people
- FIGHT crime
- fight PEOPLE (b/c they were doing crimes)
- ...AND MORE; IT'S AWESOME

However, I'm not just writing to tell you that being a super hero is great (it is), but to let you know about these...friends, I guess, that I have? I don't know what you'd call them. Basically, I've got these people who follow me around and write down what I do in comics form. And it's like, "Okay, weirdos, THANKS. I do remember what I did yesterday without the aid of a published comic reminding me," but it's also sort of like, "Oh hey, these comics are getting nominated for Eisner Awards? Which I'm led to understand is a big deal? So I guess thanks for doing a good job on your weirdo comics about me??"

So yeah, those guys are okay. The comics are published by this fly-by-night publisher ("Marvel Comics") (aka "Atlas Comics") (aka "Timely Publications") (like ALL extremely legitimate and trustworthy companies, they've gone through several different names) and THIS IS THE POINT OF THIS LETTER: Now they're putting out a graphic novel about me!

YEP I finally had an adventure SO BIG, SO AMAZING, SO CONSEQUENTIAL, AND WITH SO MUCH PROPERTY DAMAGE that they had to publish it as a BOOK. It's gonna be 100 pages: an entirely new story about the time I kiiiinda (through a series of events that I don't want to get into here) BEAT UP THE UNIVERSE. Not everyone in it, though. And several of them were bad guys.

It's a long story.

You should check it out! The book comes out in October, and I PROMISE it'll contain the following: people, fights, squirrels, FIGHTS, computer science, FIGHTS, quiet moments of self-understanding, FIGHTS AGAIN, FIGHTS, jokes, fights, and more!!

So yeah, be sure to order my book! It's gonna be...CRAZY.

(You thought I was gonna say "It'll be NUTS," right? Honestly...I considered it.)

Pictured: best super hero

Yours in justice,

Squirrel Girl

Proof that we're living in the best of all possible worlds: Marvel is publishing a Squirrel Girl graphic novel! It's a standalone adventure that's great for both old fans and new readers! It's a story so huge it demanded an original graphic novel! It's a story so nuts it incorporates both senses of that word (insanity and squirrel food)! And it's the best! Squirrel Girl kicks butts, eats nuts, talks to squirrels and also punches really well. She has defeated Thanos, Galactus and Doctor Doom (twice!). But now she'll encounter her most dangerous, most powerful, most unbeatable enemy yet: herself! Specifically, an evil duplicate made possible through mad science (both computer and regular) as well as some bad decisions. In other words, Squirrel Girl beats up the Marvel Universe! YES!
